The Visit of Monseigneur Dieudonné Madrapile, Bishop of Isangi (DRC)

ROME - On 6th December 2017, as Father Luizinho celebrates his 32th anniversary of priesthood, we were honoured by the visit of Monseigneur Dieudonné Madrapile, Bishop of Isangi (DRC). He came to Rome for the cause of canonization of Blessed Clementine Anuarite Nengapeta, a Congolese nun of the Sisters of the Holy Family. She was born in 1939 and she was murdered in 1964 during the rebellion. She was beatified on August 15, 1985 at Kinshasa by Saint John Paul II.

The Diocese of Isangi receives the Montfortian Family to work. The visit of the bishop was a visit of friendship. Thank you Monsignor for your visit.
