

The joy of the gospel fills the hearts and lives of all who encounter Jesus. Those who accept his offer of salvation are set free from sin, sorrow, inner emptiness and loneliness. With Christ, joy is constantly born anew.
(E.G. 1)

Nothing has more sweetness than to know divine Wisdom. Happy are those who listen to Her; happier still are those who desire and seek Her; but happiest of all are those who keep Her ways, taste in their heart Her infinite gentleness which is the joy and happiness of the eternal Father and the glory of the angels.
