Meeting of the Montfort Missionaries in Nemi – October 2014

Dear confreres and members of the Montfortian Family:

“The grace and peace of Our Lord Jesus Christ be with you”.

You know that, **from 1 to 4 October** next, we are holding in Nemi (Rome) in Italy a meeting with the superiors and one or two delegates (including lay associates) of the European entities, the United States and Canada, with as its aim: **to discern together the future of our Montfortian presence** in these places and in these cultures called to live with ‘the joy of the Gospel’.

These entities, throughout their history, have given with generosity the best they could in the service of Evangelisation in their own countries and also in foreign climes. With Mary, we can express our gratitude by singing the Magnificat for the marvels that the Lord has worked for those who have gone before us in these entities...

We will be meeting to discern together the Will of God in this ‘Kairos’ of history in these countries.

Our General Council invites you, each and every one of the members of the Congregation and the Montfortian family, **to pray and have prayers said** during this time up to 4 October, asking the Lord for the grace to be docile, so as to listen to, discern, and put into effect the divine Will HERE and NOW. The Holy Spirit alone can show us new ways forward where we see only walls!

Your presence through **prayer, messages of solidarity and/or creative suggestions**, will be sources of life and hope for all.

May Saint Louis Marie de Montfort, Blessed Marie Louise of Jesus, Father Gabriel Deshayes and all the members of the Montfortian family who are already enjoying the Fullness of Life, accompany us with their witness and their prayer.

“Our Father... Your Kingdom come!”
