A Two-Day Deep Dive into the Ratio II Document

BANGALORE, India - Montfortian Formation Session led by Fr. Marco PASINATO, SMM in the Vice Province of India: A Focus on Formators.

In the wake of the Golden Jubilee celebration and ordination in India, Fr. Marco PASINATO, SMM initiated an exclusive two-day session on the Ratio II document. This distinctive gathering exclusively included superiors and administrators within the Montfortian formation house.

Conducted on the 27th and 28th of November, this specialized session delved deep into the intricacies of the Ratio II document, tailored specifically for the roles of formators. The focused nature of the sessions allowed for in-depth discussions and personalized guidance, ensuring a direct impact on those actively involved in the formation process.

Fr. Marco's Expertise in Action

Fr. Marco's expertise took center stage as he engaged with formators, providing insights into the effective utilization of the Ratio II document in their roles. The discussions transcended theory, addressing the practical challenges and responsibilities that formators encounter in their day-to-day interactions with the formees. Fr. Marco's guidance extended beyond the document itself, offering a nuanced understanding of Montfortian spirituality and charism, along with practical strategies for implementation.

Shaping the Future of the Montfortian Family

This focused approach underscored the pivotal roles formators play in shaping the future of the Montfortian family within the Vice Province of India.

As a result, the Montfortian formation program led by Fr. Marco has significantly benefitted the formators, who, having celebrated the Golden Jubilee, now carry a renewed commitment to their crucial roles in guiding the next generation of Montfortians.

Heartfelt Gratitude

Heartfelt thanks are extended to Fr. Marco for his keen interest, valuable inputs, and steadfast guidance for the confreres in charge of formation.
