Our Lady of Favours – Newly Renovated Grotto

GURUMANDIR, India - Following our founder St. Louis-Marie de Montfort, we have renovated the Grotto of Our Lady of Favours situated at Gurumandir, our postulant house. It was blessed and consecrated on 12th October 2017 by Most Rev. Dr. K. A. William, Bishop of Mysore. Fr. Michael Sahayaraj, the Provincial Superior of India inaugurated the grotto in the presence of our Montfortian confreres, priests, religious and the people of God from the Diocese of Mysore amidst our Montfort Associates. As more and more

people began to experience that their prayers were heard, miracles and signs have taken place in their lives, they experienced the healing touch of Jesus through the Our Blessed Mother. So the Guru Mandir community felt it's the right time to renovate the Grotto. We thank Frs. Peter Swamy, John Marie and Amal Raj for the initiative and also we thank the present administration Frs. Dominic and Amal Raj for continuing to spread the devotion to Mary through our Lady of Favours. We specially thank Fr. Edmund Jackel Smm for his support and contribution for the renovation. May Our Lady of Favours intercede for all of us.
