## **41 clergy Retreat Participants make consecration to Jesus through Mary**

**RÍO SAN JUAN, Nicaragua** - From 1st to 5th of August 2022, the Montfortian community together with the clergy of the diocese of Juigalpa and Río San Juan in Nicaragua participated in the Annual Retreat. All the clergy of the diocese together with Bishop Marcial Humberto made the consecration to Jesus through Mary using the method proposed by Father de Montfort, on the feast day of Our Lady of the Angels. In total there were 41 participants.

Many priests from the diocese admired the profundity of the spirituality and we are welcomed with great joy to their parishes to prepare the laity.
