

Recollection at the Sanctuary *Marie-Reine-des-Cœurs*

MONTREAL, Canada - A recollection, with the theme *With Him, being reborn differently*, was held on Saturday, March 26, 2022 at the Sanctuary *Marie-Reine-des-Cœurs*, with Brother Guy St-Onge, Brother of Saint-Gabriel, as preacher.

After the Office of Lauds, he pointed out in his conference that the Lent Gospels invite us to adopt new attitudes and to look to the future, both in society and in the Church, and thus take a path of rebirth in hope.

Then, a time of adoration of the Blessed Sacrament and personal prayer allowed us to internalize this call to allow ourselves to be transformed and regenerated by God.

We then experienced a celebration of forgiveness, imprinted by the merciful Father, who welcomes his prodigal son with open heart and arms. A Father, who instead of judging us, restores our dignity and rejoices to see us return to Him.

We give thanks for this beneficent and rejuvenating stopover which allowed us to refocus on the Essential and continue our ascent towards Easter, our hearts pacified and turned towards God and others, with the momentum and the desire to be reborn differently with Him.
