Pre-Postulancy Program in East Africa

MBARARA, Uganda - On May 01, 2018, we began a Pre-Postulancy program for East African candidates in Uganda, Mbarara House (former Novitiate). After several *Come and See* sessions, seven young men, full of zeal and burning desire for religious vocation were recommended for the Pre-Postulancy formation. The program is to run until the end of July and the candidates are being oriented in several Spiritual courses which include: Introduction to Montfort's life and spirituality, Prayer and Vocational Discernment, Catechesis, Communal and Personal life, Languages, Computer, etc.

The candidates so far have shown a positive response to the above-mentioned courses and the whole program in general, and they have in several encounters expressed their willingness to proceed to the next stage of pre-novitiate.

God willing, those who will qualify at the end of the program will be sent to Balaka – Malawi for the next stage of formation. We pray the Lord of the harvest that He will continue sending us more laborers.
