Sacerdotal ordination in Congo

KIBIBI, Congo - On 25 March 2017, the solemnity of the Annunciation of our Savior, in the parish church of Saint Paul the Apostle of KIBIBI, Father Henri ALOTREMBI said "YES" before God and his witnesses in the hands of Monseigneur Dieudonné MADRAPILE Tanzi, Bishop of the diocese of Isangi, surrounded by religious and secular priests. He received the imposition of hands making him the ninth Congolese Montfortian priest and the first ordained by the Monseigneur since his episcopal ordination and his enthronement as bishop of the diocese of Isangi. Such was his great joy also in beginning his episcopate by the ordination of a Montfortian. The Montfortian fathers are for him the founders of his diocese. There is already a progress in the process of the return of our congregation to the diocese. We also wish to emphasize a remarkable presence of priests of Isangi in this ordination.
