Before 9 a.m. the departure time, we said our thanksgiving and goodbyes to our brothers and sisters in Kinatarcan. We commended the untiring collaborative efforts of our AMQAH and TTJers, our foster families for the very simple yet nice accommodation, to Barangay captain and an AMQAH member, Merlina Placencia for making our visit more comfortable by providing the Barangay service car, Sis. Gemma Oftana, Sis. Cecilia Montolo and to everyone assigned to do the cooking for the sumptuous meal shared to us. Above all, to our Almighty Father and through the intercession of our Blessed Mother and St. Louis Marie de Montfort that we reached the port of Daanbantayan safely. On our way home we dropped by in Kawit, Medellin, Cebu to visit another Mission area. Finally, we arrived home safe and sound.

On April 8, 2022 the last day of Canonical visit and we had a Pilgrimage to the Shrine of Archbishop Teofilo Camomot named "Domus Teofilo" at Valladolid, Carcar City, around 25 kilometers to the Southern portion of the Cebu province. On the 10<sup>th</sup> and 11<sup>th</sup> of April, Father's Arnold and Felix together with some Filipino Montfortians visited the Montfort House of Prayer Community in San Jose del Monte City, Bulacan. Like the previous communities they visited, they were also welcomed warmly by Father's Francis and Arnel, members of the basic ecclesial community and servers. On the 16<sup>th</sup> and 17<sup>th</sup> of April, the Reverend Fathers joined the eucharistic celebration in Sta. Teresita Parish in Makati City. The Fathers joined the Easter celebration in the same parish as well. In the succeeding days, the fathers joined the Philippine Delegation Assembly and discussed things relevant not just to matters concerning the Continental Mission Year of Asia and Oceania 2022. April 19, 2022 was the end of the Philippine Delegation Assembly and after the 5 PM mass, there was a short Despedida program as a tribute to the two fathers.

On April 20, 2022, they traveled back to Rome bringing with them all the memories from their visit here in the Philippines. The canonical visit was indeed a grace-filled experience for all of us, most especially for us Lay Associates. We realized that everything is possible if the sole purpose is for God, through Our Blessed Mother Mary in the spirit of St. Louis Marie de Montfort.

Glory to God Alone!
